Foundation Medicine to Present at the 2014 Leerink Global Healthcare Conference

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- [Foundation Medicine, Inc.](#) (NASDAQ:FMI) today announced that Michael J. Pellini, M.D., president and chief executive officer, is scheduled to present at the 2014 Leerink Global Healthcare Conference on Wednesday, February 12, 2014 at 1:25 p.m. ET in New York City.

A live, listen-only webcast of the presentation can be accessed by visiting the investors section of the Foundation Medicine website at [investors.foundationmedicine.com](#). A replay of the webcast will be available shortly after the conclusion of the presentation and archived on the company's website for two weeks following the presentation.

About Foundation Medicine

[Foundation Medicine](#)[®] (NASDAQ: FMI) is a molecular information company dedicated to a transformation in cancer care in which treatment is informed by a deep understanding of the genomic changes that contribute to each patient's unique cancer. The company's clinical assays, [FoundationOne](#)[™] for solid tumors and [FoundationOne](#)[™] Heme for hematologic malignancies, sarcomas and pediatric cancers, each provide a fully informative genomic profile to identify the molecular alterations in a patient's tumor and match them with relevant targeted therapies and clinical trials. Foundation Medicine's molecular information platform aims to improve day-to-day care for patients by serving the needs of clinicians, academic researchers and drug developers to help advance the science of molecular medicine in cancer. For more information, please visit [www.FoundationMedicine.com](#) or follow Foundation Medicine on [Twitter](#) (@FoundationATCG).

Foundation Medicine[®] is a registered trademark, and FoundationOne[™] is a trademark, of Foundation Medicine, Inc.
