Foundation Medicine to Present at the 32nd Annual J.P. Morgan Healthcare Conference

CAMBRIDGE, Mass.--(BUSINESS WIRE)-- [Foundation Medicine](#) today announced that Michael J. Pellini, M.D., president and chief executive officer, is scheduled to present at the 32nd Annual J.P. Morgan Healthcare Conference on Wednesday, January 15, 2014 at 8:00 a.m. PST in San Francisco.

A live, listen-only webcast of the presentation can be accessed by visiting the investors section of the Foundation Medicine website at investors.foundationmedicine.com. A replay of the webcast will be available shortly after the conclusion of the presentation and archived on the company's website for two weeks following the presentation.

About Foundation Medicine

[Foundation Medicine](#)[®] (NASDAQ:FMI) is a molecular information company dedicated to a transformation in cancer care in which treatment is informed by a deep understanding of the genomic changes that contribute to each patient's unique cancer. The company's clinical assays, [FoundationOne](#)[™] for solid tumors and [FoundationOne](#)[™] Heme for hematologic malignancies, sarcomas and pediatric cancers, each provide a fully informative genomic profile to identify a patient's individual molecular alterations and match them with relevant targeted therapies and clinical trials. Foundation Medicine's molecular information platform aims to improve day-to-day care for patients by serving the needs of clinicians, academic researchers and drug developers to help advance the science of molecular medicine in cancer. For more information, please visit www.FoundationMedicine.com or follow Foundation Medicine on [Twitter](#) (@FoundationATCG).

Foundation Medicine[®] is a registered trademark, and FoundationOne[™] is a trademark, of Foundation Medicine, Inc.
