CAMBRIDGE, Mass.--(BUSINESS WIRE)-- [Foundation Medicine, Inc.](#) (NASDAQ:FMI) today announced that members of the company's management team will present at the Goldman Sachs Annual Healthcare Conference on Wednesday, June 8, 2016, at 2:00 p.m. PT in Rancho Palos Verdes, California.

A live, listen-only webcast of the presentation may be accessed by visiting the investors section of the company's website at [investors.foundationmedicine.com](#). A replay of the webcast will be available shortly after the conclusion of the presentation and will be archived on the company's website for 90 days.

### About Foundation Medicine

Foundation Medicine (NASDAQ:FMI) is a molecular information company dedicated to a transformation in cancer care in which treatment is informed by a deep understanding of the genomic changes that contribute to each patient's unique cancer. The company offers a full suite of comprehensive genomic profiling assays to identify the molecular alterations in a patient's cancer and match them with relevant targeted therapies, immunotherapies and clinical trials. Foundation Medicine's molecular information platform aims to improve day-to-day care for patients by serving the needs of clinicians, academic researchers and drug developers to help advance the science of molecular medicine in cancer. For more information, please visit <http://www.FoundationMedicine.com> or follow Foundation Medicine on Twitter (@FoundationATCG).
